Marseille, September 14th

Dear Sir or Madam,

I have the honor to apply for the construction worker internship in Edinburgh.
I have just finished my architect degree in Marseille, I have to find a project for my doctoral thesis. I should be very glad and honored to participate in this great work.
I am interested to work for the bulding and also the outdoors.
I speak english fluently, and I am a Scotland lover.
I hope to present to you my projects for this work, and I am already available to begin if you accept my candidature.

I thank you in advance for taking the time to consider my CV.
Best regards.

L. VIDAL-BOIRON
